Highlighted at this concert is the release of a special CD, "Memories of the Heart" by recording artist Robin Grandin

"This song holds a special place in my heart. I wrote this for my mom who suffers from Alzheimer's. This is a true tribute to this special woman and to all of our loved ones who suffer from this disease." said Robin Grandin, singer – songwriter.

The song will be performed LIVE at Spot Coffee. Copies of the CD will be sold at this event with a portion of the proceeds going to the Music to Remember Program of WNY.
